ELIGIBILITY AND DRESS

This activity is suitable for beginners and first-time shooters. You must bring photo identification such as a driver's licence. Shotguns are a reasonably heavy firearm to hold and there is recoil to both the shoulder and possibly the cheekbone. It is suggested that the participants have the physical strength to hold up a shotgun and be robust enough for the recoil.

If a person is not legally allowed to attend a range or be in possession of a firearm then they are not to attend this event (see below).

The event will be held outdoors so suitable clothing, a short or long-sleeved shirt (no tank-tops), sunglasses, sunscreen, a hat and closed shoes should be worn. No camouflage clothing to be worn. Safety glasses will be supplied to those without prescription glasses or sunglasses. No drinking of alcohol before or during the event. If anyone is unwell or showing cold, flu or fever symptoms then please do not attend this event.

PERSONS NOT PERMITTED TO ATTEND

Persons who are not permitted to fire on a range or possess a firearm include persons:

- convicted of various crimes
- subject to a domestic violence order
- subject to orders under the Mental Health Act.
